

FIRE DESTROYS IRONDALE HOME

Hi there!

A young Irondale couple Barry and Joan Simmons, both 25, and their two children lost their home and all their possessions when an exploding oil space heater and the resulting fire destroyed their three-room house late last Thursday afternoon.

Although called to the scene immediately, the Kinmount Fire Brigade were unable to save the house as the wind fanned flames gutted it within minutes.

Only the building's chimney was left standing. No one was home at the time.

The loss could exceed \$15,000.

According to Mrs. Grace Simmons, a member of Snowdon Council, her daughter-in-law and two grandchildren, age one and three, had walked across the lot separating the two homes and were visiting with her when their house suddenly exploded.

"We looked out the window to see flames shooting into the air and smoke everywhere", Mrs. Simmons recalled.

The young mother and her children had left their home just minutes earlier, shortly after Mr. Simmons left to go ice fishing. He turned the spaceheater up for more evening heat before leaving, Mrs. Simmons said.

Neither the home nor its contents were insured.

Wintin hours of the fire friends, relatives and neighbors throughout the Irondale-Kinmount area had rallied to help the young couple.

Currently a special benefit dance is planned for this Friday evening at the Kinmount Legion to raise funds for the destitute couple and to accept donations of household furnishings and clothing on their behalf.

Staying temporarily with

The day may have been cold and blotched with falling snow, but the greeting was warm as Haliburton County Snowmobile Association members Grattan Woodcock, left,

and Roy Bates, right, welcomed Conn Crutcher, Erhart Keuhl, left-centre, and South Grey Trail Association President Ron Kirby of Mount Forest to the trails of the Haliburton

Highlands last Thursday morning. The two visitors headed a group of 14 Mount Forest-Conn snowmobilers en route some 350 miles to Eganville, Quebec, by

snowmobile. Greetings complete the HCSA crew led the visiting riders right across the county and on to Maynooth by day's end. Completion of the trek

garnered almost \$3,000 towards the purchase price of a Bombi groomer for the South Grey Trail Association. For more on the ride turn to page 5.

Minor injuries as school bus, van collide

Mrs. Grace Simmons, Mr. and Mrs. Simmons and their two children will shortly be provided with a home nearby owned by a relative the family said early this week.

Two persons, one a young schoolgirl, suffered minor injuries when a van struck a school bus on Sawyers Lake Road a week ago last Tuesday afternoon.

The four remaining school children on the bus and school bus driver Alfred Brewer, 64, of Haliburton escaped uninjured.

Both Cindy Beyers, 7, of RR 2 Haliburton and Doreen Potter, 43, also of RR 2 Haliburton and a passenger in her hus-

band's van, sustained cuts and bruises.

According to police the bus was returning pupils home from school in Haliburton and was south-bound, rounding a curve, when it met the south-

bound van.

Van driver Reginald Potter, 44, applied his brakes but the vehicle slid and the left corners of the two vehicles collided causing \$300 damage to the

van and \$150 damage to the bus.

The bus was able to continue on and complete its rounds.

Investigation by Provincial Constable Bill Clendenning.

Used brother's name ... fined \$350

A 22 year-old Hamilton man who gave police his brother's name instead of his own, faced a whopping \$350 fine in Minden Court this week.

Charged by police last March with impaired driving, James Ben Bowland identified himself to police as John Charles Bowland, his brother.

Charged, as a result, with public mischief as well as impaired driving, Bowland (James, not John, that is), plead guilty to both charges.

Although Judge Ian Munro gave him 60 days to pay the fine, Bowland didn't go free but was hustled off to Lindsay by the O.P.P. to face

charges there, laid just the night before his Minden Court appearance, of assault causing bodily harm, possession of a prohibited weapon (Kung-fu stick) and possession of marijuana.

Haliburton's BIGGEST tournament yet -- coming this week-end

Over 350 boys are by now looking forward with considerable anticipation to this week-end's biggest ever hockey tournament. An equal number of parents and supporters will also be crowding into virtually

every available bit of accommodation in the area by Friday and preparing to cheer their boys toward the grand championship.

Last summer when Pat Flannery was working with youngsters at the Halibur-

ton Hockey Haven he suggested to Bob Stinson that a new division be added to our already successful tournament. Pat felt that a number of the "A-A" clubs would be interested

Res.
457-1110

We very much appreciate the kind pat on the back from Roy Bates in the H.C.S.A. column last week and would also like to point out that we have received excellent co-operation from the members of the H.C.S.A. in our work. We are pleased to hear they have agreed to join the Chamber of Commerce as a member in response to our request for club memberships. Along with the H.C.S.A. we have the Haliburton Legion, Haliburton and South Algonquin (Wilberforce) Kinsmen Clubs, the Haliburton REACT team, and the Haliburton Cross Country Ski Club as members.

At the last meeting of Central Ontario a presentation was made by Ministry of Industry and Tourism on a survey of American visitors to our area made in 1974. That's right 1974. So, of course, that was our first question - Why are we just getting this information now? Well, apparently it takes that long for the government to produce results from a survey. We thought some of the facts were of considerable interest even though they may be a little dated.

The area of Central Ontario takes in from Oshawa to Belleville and from Lake Ontario to Algonquin Park. Of 7.9 million American visitors to Ontario in 1974, only about 1% or 85 thousand of them visited Central Ontario. They came mainly from New York and Ohio, accounting for about 1/3 each, and the balance were from Michigan and Pennsylvania. The largest percentage were management and blue collar workers in the 45 to 64 age group. A resort vacation accounted for almost 40% of the visits with visiting own cottage, outdoor recreation, and visiting friends or relatives accounting for about 10% each. Summer was the prime time with 67%. Visitors staying at least one night or more in Central Ontario were 95% compared to only 28% across Ontario. Fishing is the main interest of 40% of them, with boating following at 25%, swimming at 20% and shopping, hiking and canoeing all at less than 3%. They spent 25 million Dollars here in 1974 and this represented 6% of the total spent in Ontario. The lions share of this spending went to meals and accommodation.

From all this you can see that our area does represent a substantial part of the overall tourism package from Americans and it is interesting to note what a large part fishing has to play in it - and at the same time consider how we are losing this important attraction.

Some figures not shown in the survey but brought out in discussion were the continuous decline in American visitors over the last few years, and in particular last year. The initial excuse for last year was that bi-centennial was keeping them at home. This was shot down when the figures showed Americans vacationed outside their own country last year more than ever before - but not in Canada, or Ontario.

Tourism is in the same boat as all our other export products that simply no longer compete with those outside our country. We have priced ourselves off the market. In the meantime, Mr. Bennett has stated that the Ministry will concentrate on selling places like Toronto to the young sophisticates in the U.S. this year. Possibly that group can still afford it, but that doesn't solve the problem.

Here we are just a week and a half from the Haliburton Winter Carnival and I have requests from the Ministry of Ind. & Tourism for our summer events by the end of this month. It is difficult to think about summer these days but we do need the information if it is to be published, so please let us know what plans are being made for carnivals, regattas, fairs and so on. We will spread the word - but you will have to give it to us.

Stroke - Some prevention is possible

Stroke is not a disease that affects only the aged- in Canada the median age of its occurrence is 50. Nor is it a matter of fate. It is caused, in many cases, by specific risk factors. These factors can be identified and reduced according to the Canadian Heart Foundation, which also states that some strokes can be avoided, but prevention comes only from a recognition of risk factors and warning signals.

About 17,000 Canadians will die of stroke this year. In addition, about 150,000 will be afflicted by strokes, many with crippling after-effects.

Stroke occurs when oxygenated blood is blocked from reaching part of the brain, causing millions of brain cells to die. Cutting off the oxygen supply to the brain for just a few minutes can result in irreversible brain damage. Many major strokes are preceded by "little strokes", or warning signals, which may occur days, weeks, months or even years before the more severe event.

Prompt medical or surgical attention to these symptoms may prevent a major stroke from taking place. The primary signal of stroke is a feeling of sudden, temporary weakness or numbness of face, arm and/or leg in one side of the body. Other signals include: temporary loss of speech or trouble speaking or understanding speech; temporary dimness in, or loss of, vision, particularly in one eye; unexplained dizziness or unsteadiness. In conjunction with these symptoms, a change in the pattern of headaches may occur.

Reduction of risk factors can also help prevent stroke, states the Heart Foundation. Research studies have demonstrated a significant reduction in stroke deaths in cases where high blood pressure is controlled and other studies have supported the theory that early detection of high blood pressure, and its control, is the key to stroke prevention.

While high blood pressure is the most significant stroke risk factor, like heart attack, there are other factors: high blood cholesterol levels and excessive cigarette smoking are important, together with overweight, improper diet, lack of exercise and stress.

Strokes do occur in young men and women, and even in children. For that reason, it is important that blood pressure check-ups, proper diet and healthy living habits begin at an early age. That is why the Canadian Heart Foundation emphasizes public and medical education on stroke prevention - particularly high blood pressure control and risk reduction.

Free information on heart attack, stroke and their risk factors is available from your provincial Heart Foundation.

Anti-smoking goes to school

Hands go up in keen interest at a question posed by Mrs. Janet Smith of the Co-ordinating Committee on Smoking and Health during her lecture last week to a Grade 5 class at Haliburton Senior Elementary School.

For the third consecutive year the "Ricky Raccoon Anti-Smoking Program" was last week presented in the grades 4 and 5 classes in the six public schools in Haliburton County.

The program is also conducted in Victoria County.

The Program is held under the auspices of the "Co-

ordinating Committee on Smoking and Health" which is chaired by Dr. William Service of Lindsay.

Much of the funding of this Program has come from the Victoria-Haliburton Lung Association (formerly T.B. and R.D. Association) which obtains its money from the Christmas Seal Campaign.

The program is intended to make children in the Grade 4 and Grade 5 levels aware of how their respiratory systems work and what can happen when people smoke.

It is not a scare-tactic program in any way say anti-smoking officials, but rather, is intended to present the facts and make

children aware of why people start smoking and why it is hard to quit.

In each grade a film is used and a lesson taught on the respiratory system, the diseases that can be incurred from smoking and how this can happen.

The Grade 4's saw the cartoon Film "Best Friends", while the Grade 5's

saw the film "Smoking-It's Your Choice". The four main diseases of smoking - heart disease, lung cancer, bronchitis and emphysema are discussed.

The Grade 4's also have a Ricky Raccoon jingle contest in which they

write a jingle about not smoking. A prize is given to the child with the best jingle in each school.

This year the prize will be a copy of "Tails of the Trail" by Theodore Peacock, "The Haliburton Trapper".

All are welcome at a Benefit Dance

Try it...NOW

Since its inception our annual Whipper Watson Snowarama for Timmy has been run on the same trail.

It's known as the Tri-Trail and it stretches from Haliburton to Minden, then on north and east to Haliburton Lake, and, finally, south to Haliburton Village.

The main advantage offered by this trail is that it readily permits participants to start and finish at the village of their choice: Minden or Haliburton. The major disadvantage posed by this trail is that probably two-thirds or more of the length involves lake travel on ice...and slush. Last year Snowarama riders ran into some slush on the lakes, but nothing too serious.

This year it has been necessary to postpone Snowarama until March 6 because of the severe slush conditions on the lakes.

Many would agree with our suggestion that future Snowaramas be planned for March rather than February, when good snowmobiling conditions are at their peak.

We hope, too, that officials will consider changing the route to one primarily traversing land trails, not lakes. This suggestion has been made by Roy Bates of the Haliburton County Snowmobile Association and warrants serious consideration.

In fact, it's not too late for this year's Snowarama.

With 200 or more miles of groomed trails available why not try it...NOW!

Great Fun

This Sunday will see the completion of the sports car races on ice postponed from our recent Winter Carnival. The brief sample on the Sunday afternoon of the carnival indicated this to be a thrilling and compelling spectator sport.

Let's all get out and show our support for this excellent project provided by our Minden Kinsmen.

It promises great fun.

Lend A Hand

Last week, as reported elsewhere in this week's Progress, Barry and Joan Simmons lost their home in Irondale and all their possessions.

Friday night friends, neighbors and relatives are staging a special benefit dance for them at the Kinmount Legion. They need money, clothing and furnishings, so please lend a hand if you possibly can.

WATER LOTS

The mandatory leasing of water lots has become a topic of considerable interest both in and beyond Haliburton County in recent weeks.

But a combination of information, misinformation and just plain rumor has left the subject muddled and vague.

According to the Ministry of Natural Resources a water lot is a parcel of land lying under the waters of a lake or river, its boundaries usually shown on a plan of survey and tied to a survey point on shore. It is usually considered only in front of an applicant's privately owned property and is designed to accommodate existing or proposed structures such as docks or boat-houses.

With few exceptions the beds of navigable waterways are vested in the Crown (Ontario) and administered by the Ministry of Natural Resources. This jurisdiction normally commences at the original high water mark and extends out to encompass the entire lake or river bed.

Under the Public Lands

Act the Ministry can grant a form of land tenure for the occupation of land whether underwater or not. Generally a Licence of Occupation is the form of tenure for water lot occupation....s formal rental agreement issued in perpetuity and granting exclusive possession, but cancellable for causes such as non-payment of annual rental, violation of a condition, or at licensee's request, etc.

A Licence of Occupation requires a plan of survey and legal description at a cost of \$50.

Currently the annual rental fees range from \$30 for each water lot acre required for a commercial dock or boathouse to \$60 for a marina.

The Ministry says the mandatory water lot program is being administered in the interests of efficient land management and for the mutual benefit of both the general public and commercial operators.

Besides controlling the orderly occupation of Crown lake and river beds and protecting programs administered by the Ministry

in the public interest, the program gives the commercial operator the legal right to occupy and use the water lot by paying rent in a normal tenant-landlord relationship officials explained.

This means that he can legally control any "invasion of the premises" and deal with trespassing when needed.

The Ministry also points out that a legal occupant of Crown land would be in a better position to collect insurance as a result of an accident or property damage and would be in "a more viable position" to transfer interest in the property in the event of a sale or similar transaction.

Of course water lot structures must conform to existing municipal building and zoning by-laws.

The Ministry also explains that it does not presently require a form of land tenure for the docks and boathouses of private owners, although this provision does exist in the Public Lands Act.

Report from Queen's Park

John Eakins, M.P.P.

For the past two years, the Liberal Party has been calling upon the Minister of Education to recognize that standards of achievement in Ontario Secondary Schools have been seriously declining. Now an Interministry Report has been released which confirms many of our criticisms.

The Government has interpreted the findings of the Study as a vindication, asserting that 'things are not as bad as they have been made out to be'. However, the general public, teachers, and students have a different perception.

According to the Report, 72% of secondary school teachers thought that basic language skills of university-bound students have deteriorated.

54% of the public and 59% of students thought that basic reading and writing skills had deteriorated over a period.

A majority of students and public believe that not enough discipline exists in our schools.

52% of secondary school teachers thought that university entrants were not as well prepared as they used to be, while 46% thought that achievement of work-bound students has deteriorated.

74% of students think that some schools make it easier to obtain higher marks than others.

62% of the general public and 63% of students disagree with the statement that it is more difficult to obtain a high school diploma than it used to be.

91% of secondary school students, 79% of university faculty and 85% of CAAT faculty believe that a comp-

ulsory core curriculum is needed irrespective of students' plans or goals.

Six in every ten secondary school teachers favour uniform content for compulsory subjects.

These and other survey results would certainly indicate a serious lack of confidence in the existing educational system.

No doubt in an attempt to counter what the Ministry of Education regards as a problem in communication and lack of understanding what is happening in our schools, the results of tests and course assessment and evaluation are held out as proof that, in reality, the situation is not as bad as everyone thinks it is.

This Interface Report was produced as a result of a contract awarded by the Provincial Government to the private consulting firm of Stevenson and Kellogg Ltd. to investigate the roles and responsibilities of secondary and post-secondary educational institutions. Those surveyed by the consulting firm included the general public, secondary and post-secondary students and teachers, all of whom agreed that the development of language and math skills should be the primary goal of secondary schools.

College and University teachers cite the lack of uniform (or province-wide) standards. Secondary teachers include a decline in academic standards, weakness of the credit system, lack of uniform standards and curriculum content. See you next week.

c o m m e n t

SNOWARAMA RE-SCHEDULED

The continuing slush conditions of lakes along the route forced postponement of the hundred mile ride for Timmy. The new date is March 6th, a time of winter when lakes have always been at their best. This being an unusual winter, the HCSA and the Rotary Clubs are keeping their fingers crossed.

Perhaps the Clubs involved with Snowarama should use the extra time to consider an alternate route for the ride. The HCSA will have some 200 miles of groomed trails, mostly on dry land, so it seems to us that a route could be established that would be free of lake crossings.

Grooming Program Extended

With the acquisition recently of a second Bombi the Haliburton County Snowmobile Association has doubled its grooming capability. The first machine is now operating out of Minden, the second one out of Haliburton, with both machines reaching trails that were not groomed last year. The Peterson Trail, for example, was worked only as far East as the intersection of the Tri-Trail. It is now being groomed from Woodlands Ranch to Martin's Mill, more than half the width of the County. New trails are being groomed in the Minden area and also in the vicinity of the Clubhouse at Donald.

CONN CRUISERS ON FUN RAISING SAFARI

We had the pleasure last week of escorting a group of fourteen riders on part of their 350 mile ride from Mount Forest to Eganville. The trip was organized by the Conn club as a fund-raising event to help pay for a new Bombi. Collectively the fourteen riders carried pledges amounting to nearly \$3,000.00.

Plans were laid far in advance with contacts established in clubs along the way such as Collingwood, Orillia and Haliburton. Some re-routing became necessary after the severe storm that closed some trails. The Severn Bridge to Minden Link was wiped out forcing the group to come by way of Norland and Kinmount.

ALONG THE TRAILS

by Roy Bates

After a phone call from the Kinvale Inn established their whereabouts at 9:45 A.M. on Thursday we (Bill Fotte, Grattan Woodcock and myself) set out from Donald to meet them at the junction of the Irondale Road and No. 503. Timing was perfect. We arrived at the meeting point just as the leader of the Conn group was coming into view.

After a half hour of introductions, picture taking and spark plug changing we were off in a cloud of snow for Maynooth. The safari leader expressed a strong desire to make Eganville that day so we set a brisk pace. Approximately one hour from Irondale to Haliburton, via the newly opened Twin Pines trail, a distance of 22 miles.

Refreshing the riders and re-fuelling machines ate up another hour. To avoid lake travel we rode the Harburn to the Peterson trail. Arrived Martin's Mill 4:30. Elapsed time 5 hours, riding time 4 hours, miles from Irondale 56. A half-hour and fourteen miles later we arrived at the Arlington Hotel in Maynooth.

Wet, and quite uncomfortable from the day's riding in steady snowfall, we easily convinced ourselves that returning at night would be sheer foolishness. The Conn riders also elected to stay over. They were some 70 miles short of their destination.

Our return journey next day in cool sunny weather was pleasant though quite uneventful. The Peterson trail, however, was noticeably rougher. But we're sure the Bombi will cure that before next weekend. We extend best wishes to the Conn Cruisers for successful completion of their effort.

Operator Training

Nineteen snowmobile operators attended a safety training school at the HCSA clubhouse on February 5th. We are pleased to report that all nineteen will be certified.

Next scheduled school, Stanhope Municipal Garage, Feb. 18th & 19th, 7 p.m. both days. Instructor Bob Patton, 489-2489.

LETTERS

Dear Bill:

Just a word of thanks for your Editorial concerning Lutterworth Council under the heading Positive Step Jan 26/77.

One begins to wonder if it is at all worth the effort, the new council of Lutterworth have worked night and day on and off duty to make Lutterworth a better place to live and most of the press we have had so far is really discouraging "your paper not included" so that when one reads a column like yours in your issue of Wed. Jan. 26/77 it makes it all worthwhile.

It makes it harder when we have had absolutely no input from Councilor Valentine especially when there are things coming up that we would like to see a unanimous vote. As you have noticed Bill I have been put on the Haliburton County Economic Development Committee. With my connection with the federation of Ont. Cottagers we have continual inquiries from light industry as to the best place to locate, you have probably already guessed who will receive the benefit.

I have already been asked to speak at two tax seminars for the Municipal Tax Collectors Assoc. of Ont., the next one being Feb 24 & 25 in Hamilton I bring these things to your attention because I feel that Lutterworth & Haliburton need all the

input they can get from people such as myself and from reading the "Recorder" you would think we were all a bunch of dumb bunnies.

Thanks again Bill for your very kind consideration. All the best.

Deputy Reeve,
A. O. Shingler,
Lutterworth

Mr. Bill Foote,
Minden Progress.
Minden District

Dear Sir:

RE: Water Lot Program

This will refer to our letter of January 14, 1977, to which was attached an article entitled "What is a Water Lot?" as prepared by this Ministry explaining our current water lot program in some detail.

Legislation under the Public Lands Act, covering authority to occupy Crown water lots has been in effect for many years, and there is no proposal by this Ministry at this time to amend this existing legislation.

Our current water lot program is not in "temporary limbo", as suggested by Mr. Stinson in his column in your paper dated January 26, 1977, and in fairness to this Ministry and to your readers, we would appreciate having this statement

corrected in your next edition.

Also, we would appreciate your including the article "What is a Water Lot?" if at all possible.

If we can be of assistance in any way please advise.

Yours truly,

D.D. White,
District Manager,
Minden District,
Ministry of Natural
Resources

The statement referred to above was made by Mr.

Stinson in his Column "The Chamber" and repeated as a statement made at a recent meeting of the Central Ontario Travel Association based on information from a representative of the Ministry of Industry and Tourism. Further it was this latter statement that prompted a C.O.T.A. request of it members that for the time being they not comply with any Ministry directives to obtain water lots, pending further clarification. ED.

Rotary Guest

Special guest speaker at last Monday's dinner meeting of the Minden Rotary Club was Reg Selner, Director of Promotion and Publicity for CKCO-TV, Channel 13 and 11, Kitchener. Mr. Selner, who journeyed from Kitchener especially for the meeting, spoke on CKCO-TV and its efforts to serve the Haliburton Highlands since it inaugurated its Dwight Transmitter Station a little over a year ago. Above, Mr. Selner, left, is greeted by Minden Rotary President Dick Schell.

Torched car...probation

Visiting Judge Ian Munro to 3 years probation in sentenced 21 year old Don- Minden Provincial Court, ald C. Riel of Gooderham Tuesday, and ordered him

Damages of \$3,000 in 3 crashes

Although damages totalled more than \$3,000, all persons involved escaped unhurt from three separate Highway 35 collisions last week.

Two persons were charged by police.

Police charged car owner Martin Cassidy of Richmond Hill with having an unsafe vehicle and its driver, James Wardrop, 29, also of Richmond Hill, with failing to wear a seatbelt, after he backed out onto Highway 35 south of Buttermilk Falls and stalled in the path of a car driven by Gerald Pinch, 61, of RR 2, Minden.

Although Mr. Pinch braked his vehicle, he was unable to avoid the stalled car.

Damage in the Saturday noon collision has been

estimated at \$1,400.

Investigation by Provincial Constable Mike Legge.

A tire blow-out was blamed in an \$800. collision last Thursday evening between a car and guide posts on Highway 35 just south of Davis Lake.

Driver of the northbound car was Johanna Zylstra, age 27, of RR 1, Haliburton.

Investigation by Provincial Constable Roy Telford.

Damages totalled some \$900. a week ago Wednesday afternoon when a northbound tractor driven by Nelson Leary, 72, of RR 1, Norland stopped to turn left off Highway 35 just south of Moores Falls and was struck by a northbound car driven by Peter Leighton, 18, of Haliburton as he attempted to pass.

Investigation by Provincial Constable Gary Chapman.

The Senior League

Friday evening at the Hyland Crest Senior Citizens Home, 85 residents and their guests filed into the Auditorium for The Home's annual FORMAL DINNER PARTY. Everyone thoroughly enjoyed a beautiful CHICKEN dinner with all the trimmings, pumpkin pie and refreshments.....

As a warmup to the entertainment after dinner, everyone joined in a SING-A-LONG of a few old favorites. 'Let Me Call You Sweetheart' and 'By the Light of the Silvery Moon'. Rev. TREVOR DENNY, of St Georges Anglican church in Haliburton, and CATHARINE KINSMEN entertained the gathering with songs accompanied by BILL GLIDDON. Rev. Denny sang, 'OLD MAN RIVER', 'SCARLET RIBBONS', 'NOBODY KNOWS THE TROUBLE I'VE SEEN', 'YOU'LL NEVER WALK ALONE' and 'EXODUS'. Catharine sang, 'EIDELWEISS', 'WHAT THE WORLD NEEDS NOW', 'MA, HE'S MAKING EYES AT ME', and 'HI LILI HILO'. Trevor and Cathy teamed up to sing 'WESTERING HOME'. Bill Gliddon played a piano solo of 'RAINDROPS KEEP FALLING ON MY HEAD'. LIL RAWLINS led the residents in a sing-a-long of some fine old tunes, Little Lilly, K-K-Katy, Give a Little Kiss, I Want a Girl, and If You Were The Only Girl in the World.

Formal Dinner Party

Eighty-five residents and Guests (top) of Hyland Crest Senior Citizens Home gathered last Friday evening for their annual Formal Dinner Party. (Bottom

right) Lil Rawlins and Alfie Richardson take a turn around the dance floor to the tune, 'Give a Girl a Kiss'. Cathy Kinsmen and Rev. Trevor Denny,

bottom left, entertained the gathering with many favorite hit songs and then teamed up at the evenings end to sing a duet, 'Westering Home'.

Card Party meets

Every Thursday afternoon at the St. Paul's Anglican Church Hall, the above Card Party meets. Many of the thirty-six regulars who attend, many of whom are Minden's senior citizens, enjoy a friendly game of Euchre or Cribbage and

a little chit-chat each week from September to May. They top off the afternoon with Tea and Sandwiches before returning Home.

About the Town

with Jeanne Sears

Being a pedestrian most to the time, we wonder if drivers would take a little care when turning onto the roads from parking lots. The edge of the main road is glare ice under the snow and this is tricky for everyone.

At the L.O.B.A. Card Party at the Orange Hall on Jan 31 had as winners for cribbage Vira Ward, for euchre Pearl Cowan, Phil Robinson, Mary Cox and lone hands Gladys Wruth. After the evening of cards all enjoyed the delicious lunch served by the ladies.

Do you think this is true? only put off until tomorrow what you are willing to die having left undone.

Pablo Picasso

Sincere sympathy goes to the family and friends of the late James Robb who died in an accident last week.

Watch for this, Shove Tuesday Feb. 22nd there will be a Pancake-Sausage Supper at St. Paul's Anglican Church from 5-7.

Mr and Mrs Phil Robinson were in Lindsay last Saturday and attended the 60 th Wedding Anniversary of Marjorie and Noble Dunn at Fairview Baptist Church.

All their friends send good wishes to Joe Warburton and Clare Walker at Civic Hospital Peterborough and to Elva Deacon at Ross Memorial.

A bit of fun—Mrs Busybody was pumping the local doctor after the death of a wealthy man. She asked the doctor how much money he had left. The doctor replied "All of It, Madam, all of it."

Harry J. Cowan spent some time visiting relatives in Peterborough.

Mr. and Mrs. Jack Shaw and Family visited in Lindsay last Saturday with Mr. and Mrs. John Cummings and family.

At the weekly Mini Card Party last Thurs afternoon at the Parish Hall winners were for bridge George Hardy, for cribbage Joyce Hewitt and Ethel Leigh, for euchre High and lone hands Marjorie Coulter and Mary McKelvey. During the lunch time everyone joined in singing Happy Anniversary to Johann Beattie and presentation was made of a small gift.

Youngsters always brighten up a home — they never turn out the lights!

J' Rosenbaum.

There was 50th Wedding Anniversary Party on Saturday Feb 5th, in honour of Mr and Mrs James Beattie at Legion Hall Branch 31, Mount Dennis here family and friends joined them at the reception. The community joins in congratulations as well.

We hear that the lakes still are slushy so watch, although the ice is thick. Anyway take care however you travel. Cheerio until next time.

January Weather

Weather-January-Minden Area

Snow on ground last Jan 31 18in

by - P.M. Graham

Average high 16
Average low -4.5
Average for month 5.7
Average for last Jan. 7.3
Highest temp. Jan. 4 26
Lowest Temp. Jan. 18 -40
Rainfall for month 0
Snowfall for month 32in
Total Precipitation for month 3.2 in

Snow on ground Jan 31 24 in

January was a very cold month with considerable snowfall. Snow on ground is very light and fluffy due to lack of rain. In fact, there has been no rain this winter since Nov. 26. Ice conditions on lakes is very poor due to slush under the snow. Considerable snow build up on cottage roofs. No problem at present due to the light dry snow, but rain would change this to a problem situation.

BIGGEST

FROM P. 1

in competition of this type for their "Minor PeeWees" as a preparation for the big International Pee Wee tournament in Quebec City in which they all expect to participate, in their PeeWee year. As a result we now have a group of six teams playing in the "Haliburton Hockey Haven Division" for the Hockey Haven trophy. This elite group will showcase some of the best 11 year old hockey players from the "metro" area and includes "A-A" teams from Thornhill and Peterboro also.

Because of the increased size of the tournament, the games get underway at 1:00 p.m. on Friday with Haliburton playing the opening game against Georgetown. The arena will continue to buzz through to 10:00 P.M. on Friday. The Victoria Street School children, who normally have the ice on Friday afternoons will instead be admitted free on that day to cheer on their home team. The "A-A" teams will all be on the ice on Friday Evening at 5:00, 7:00, and 9:00p.m.

Games start Saturday at 8:00 A.M. and continue throughout the day once again through 14 games to 10:00P.M. Sunday is championship day. At 8:30 a.m. the "B" Consolation will be played, and at 9:45 A.M. the

"A" Consolation. The winners of these two championships meet at 3:30 in the afternoon for the Grand Consolation Championships. The "A-A" teams play the final games of their Round Robin series at 11:00 A.M. and 12 noon, and the leaders will play in their grand final at 4:45 in the afternoon. The "B" Championship goes at 1:00P.M. and the "A" Championship at 2:15. The two champions will meet at 6:00 P.M. in the Grand Championship. By the time that game is over there will have been more than \$700. worth of trophies and crests given out to participants, including stars for each game, best forward, defenseman and goalie in each series and the LaRue Founders Trophy for team sportsmanship.

Tournament officials are hoping that everything goes smoothly because they are bound to be very short of volunteer help. The M of volunteer help. The Midget team is off to Temiscaming, and the Bantams to LaSarre, which means a lot of the people they normally count on will be away with these teams. With some extra help from the folks on the Kashagawigamog Assoc. we are sure they will pull off once again a very successful tournament.

Prevent accidents this Valentine's

St. John Ambulance says be a Valentine to everyone in your home and show that you care about your family and friends by helping to prevent accidents.

1. Make sure sidewalks and outside stairs are free of snow and ice to prevent falls;
2. Have your furniture patterns arranged for easy traffic between rooms so that no one bumps into the sharp corner of a piece of furniture;
3. Keep stairs free of clutter;
4. Don't overload cupboard shelves so articles can fall out and hurt someone.
5. Make sure scatter rugs are securely fastened down to prevent falls.
6. Keep household cleaners, medicines and other poisonous substances out of reach of children.
7. Don't have pot handles pointing out over the edge of the stove where small children can reach and tip them;
8. Make sure all lamp and small appliance cords are not frayed or broken.
9. Keep matches out of reach of small children;

Chapman, Davies, Yake, score twice

Jadek Sport bantams win semi-final opener, 6-4 over Woodville

The Jadek Sport Bantams travelled to Port Perry on Thursday evening to open their OMHA Semi-final play-off series with Woodville. The series is a best three out of five affair with Woodville getting the extra home game if necessary due to finishing two points higher in the league standings.

During regular season play Minden tied Woodville 6-6 at the Centre and lost 6-5 in Fenelon Falls.

However, Minden skated all over the Woodville boys on Thursday evening although the final score was only 6-4.

Minden had a half dozen break-aways in this contest, with Harold Porter having three of them but each time Minden came up empty-handed.

Tom Thornbury opened the scoring for Woodville at 6:15 of the first period, then Minden scored three straight, Shawn Chapman from Scott Arbuthnot and Harold Porter, then Tim Davies from Rod Gorveatt and Kevin Shapiera and then Chapman again, this time assisted by Ronnie Yake. Thornbury ended the first period with his second of the game and the score was 3-2.

The two teams traded goals in the second period, Ronnie Yake put Minden

up 4-2 on a slick three way passing play with Chapman and Porter, then Woodville's Elroy Jewell cut the margin to one goal at 12:06.

Woodville tied the game at 2:13 of the third and

it remained that way until 13:29 when Tim Davies scored from Porter and Trent McElwain. With 19 seconds left Ronnie Yake got the insurance goal into an empty net.

Woodville picked up 7

minors in the game while Minden had five.

Leading scorers after four games are, Ronnie Yake 10-2 for 12 points, Shawn Chapman 4-6 and 10 points and Tim Davies 7-2 for 9 points.

Woodville evens playoff series with Jadek Sport bantams

The Minden Jadek Sport bantams came up with their worst effort in over a month on Saturday at the Centre and were trounced 6-1 by Woodville, evening their best three out of five play-off series at one game each.

From the goaltending on out, the Jadek bantams were never in the game.

Minden got off on the wrong foot early as Woodville went in front 2-0 after only 14 seconds of play. Murray Kelsey and then linemate Murray Flynt scoring for Woodville.

Tim Davies cut the Woodville lead to 2-1 at 5:42 of the first period when he broke into the clear on a fine pass from Scott Arbuthnot and then faked Woodville's netminder to the ice and slid the puck into the far corner. However it was all Woodville after this as the Minden centremen consistently

tried to skate through the Woodville defence instead of passing off to an often time, open winger.

Elroy Jewell made it 3-1 before the period ended, then Ricky VanSchoik, Jewell and Kelsey scored in the second to complete the scoring.

The third period was scoreless but extremely chippy and the referees showed great restraint in not calling many more infractions than what they did. Minden picked up six minors, five in the third while Woodville was assessed six minors, five in the third while as well but only one in the third. There were at least a dozen more flagrant penalties that could have been called but the officials ignored them constantly.

A complete turn-around in the Bantams play is necessary or they will be facing an early Spring like the Midgets and

Sunderland ousts juveniles from playoffs

The season came to an abrupt end on Wednesday evening for the Minden Vasey Real Estate juveniles, as they were thoroughly shellacked 12-2, to a far superior team from Sunderland. This victory gave Sunderland the play-off series in three straight games and thus ended a very disappointing year for the locals.

This was by far the worst season for a Minden juvenile team in some five years. Vasey's finished up League play with a dismal 4-8-2 record and then seemed to roll over a play dead in the play-offs.

There was one player on this team who didn't quit

though and that was Brian Shaw. Game in and game out from the start of the season, this youngster gave 200% every game. Unfortunately there were others on the team who didn't and therefore are now on the sidelines waiting for spring.

There is hope for next year however, with many of the Midget players on both the A and B teams graduating to the Varsity squad and maybe things will be better.

ONLY YOU CAN
GIVE THE GIFT
OF LIFE!

Juveniles.

Vasey Real Estate Juveniles

The Minden Vasey Real Estate juveniles also found themselves taking an early exit from play-off action when they were trounced 12-2 by Sunderland last Wednesday evening in Port Perry. This gave Sunderland

the series 3-0. Above, back row, l-r; Jim Allison (coach), Bill Hogg, Dave Pettes, Brian Shaw, John Farnsworth, Tim Bain, Dan Allison, Dave Brown, Steve Davies and Jerry Campbell. Front row, l-r; Scott Gart-

shore, Kirk Potter, Steve Farnsworth, Shayne McKelvey and Marty Schellar. Missing, Ross Warburton (manager) and Steve Barker.

Atom Monarch's end season undefeated

The Minden Yake Electric/Red & White Atom Monarch's became the first ever "A" team in Minden to go through an entire season undefeated. The Atoms compiled a record of 16 wins, no losses and two ties for 34 points. They scored 108 goals and gave up a paucity 21 to the opposition.

On Saturday afternoon the Atoms ended their season's play with a 7-0 drubbing of Little Britain their eighth shut-out of the season.

Kevin Warburton, Jeff Stamp and Doug Schell each scored twice while Scotty Yake had a single.

In Bobcaygeon last week the Atom's settled for a 3-3 tie in one of their worst games of the season, considering a week earlier they had blasted Cagion 8-0. Doug Schell scored twice for Minden and Scotty Yake once.

The Atom's should commence play-off action soon but as of this writing there has been no word as to

who they will meet first or when. Keep an eye peeled for posters at the Centre and around town.

Walker's Lumber Midgets

The season ended for the Minden Walker's Lumber Midgets last week when they dropped a 6-5 decision to Ops. This gave Ops the series, three games to none.

Above l-r back row; John Farnsworth, Kevin Newell, Dave Shapiera, Dave Brown, Dan Allison, Dave Arbuthnot, Brian Shaw, Garry Harrison, Fraser Newton and Paul White. Front row

l-r Terry Harrison, Mike Bird, Kelly Young and Rocky McElwain. Missing Jim Hatkoski, Royce Miller (coach), Dwight Thomas (manager) and Leigh Bull (trainer).

SPORTS

Terry Crowe outstanding in opener

Sunderland takes two game lead

The Minden Prentice Skidoo peewees find their backs to the wall in their play-off series with Sunderland, down two games in their best three of five series.

In the opener in Cannington on Thursday evening Minden goaltender Terry Crowe was simply outstanding, in his teams 1-0 loss. The one goal that did beat him was a fluke late in the third period.

At the Centre on Saturday afternoon, before a very disappointing Minden crowd, the Peewees were trimmed 6-1 and Sunderland was full marks for the victory, as they just outskated, out checked and just plain wanted to win more than Minden.

Ivan Ingram played a fine game for Minden and spoiled the Sunderland goalies bid for a shutout early in the third period. Wayne Shoddon and Richard Yerema each scored twice for Sunderland while singles were picked up by Lynam

Jones and Steve Doran.

The next game and possibly final one in this series goes Thursday evening in Cannington and if necessary the fourth game will be at the Centre next Saturday at 3 p.m.

Huskies to tangle with Ti-Cats in play-offs

The Haliburton Huskies are in last place in the Central Ontario O.H.A. Junior "D" league standings as of January 30th. This is with one game to go in league play, that against Wellington on Wednesday, Feb. 9th at 8 p.m. in Haliburton.

After the Wellington contest then its on to the play-offs against the Bobcaygeon Ti-Cats. The first game in the best three of five series goes Friday evening in Bobcaygeon with the return game in Haliburton on Sunday. No times are available at this writing. However, you can get the time of all Junior "D" games on CHEX Peterborough or on CKLY Lindsay.

With one game left Haliburton's Joe Roberts is the second leading goal scorer in the league with 30. Ian Williams and Marty Kernaghan each have 31 with Colborne. Perhaps with a fine effort against Well-

ington, Joe will be able to capture the goal scoring title. Joe is presently fifth over all in the league standings with 53 points.

The only other Huskie in the top 25 is Dave Hartwick with 17-25 for 42 points and ninth place.

Alton Movers

The Alton Movers Broomball team last weekend at the Kinsmen Winter Carnival captured the Carnival Broomball Tournament for the third year in a row.

This year the Movers blanked Home Hardware, of Minden, 1-0.

Above l-r, back row, Harris Steele, Junior Alton, Randy Anderson and Front row

l-r; Bob Sisson, Shayne McKelvey, Stuart Russell, Kirk Bull and Steve Davies. Missing from above photo, Scott Russell and Paul Fleming.

Carnarvon Lanes yields 119-300 games to date

The bowlers at Carnarvon Lanes continue to reap the benefits from all the hours of labour owner-operator Gord Everall has put into the business since taking over the Lanes just over a year ago.

With just over half the season now completed the nine-and-a-half leagues that bowl each week have posted 119 games over three hund-

red and one game of 405 by Fred Cox on the Tuesday Commercial League.

This week eight bowlers rolled 300-games; Ev Stata, 323, Tues. Comm. league; Ronnie Robinson Jr. 321, Comm Men's; Audrey Fountain, 317,

Tues. Comm.; Martha Harding, 309, Thurs Ladies Bill Barber, 309, Wed Aft. Ali Hogg, 307, Wed. Aft. Cliff Burke, 305, Comm. Men's, Ron Robinson Sr. 301, Comm. Men's.

Curling Corner

with Dwight Thomas

THURSDAY MIXED

All alone in first place with 50 points from a perfect 5-0 record is Bill Obee's rink. He picked up his fifth victory, 7-3, at the expense of the Ed Pettinger foursome last week. Second spot is tenuously held by Alex Millar who has 35 points from 3 wins and 1 tie in 5 games. Close behind at 30 points are Cec Yearwood and Art Hodgkinson with Yearwood getting the third place nod on the basis of a 3-1 record while Hodgkinson is 3-2. Grouped in fifth spot with 25 points from 2-2-1 records are the Phil Graham, Don Hall and Tom Hurtt rinks. Paul Prentice has 10 points from one win in four games while Pettinger has one win in five games. Winless in five starts is the Herb Gill quartet. Prentice notched his first win by slamming the Hodgkinson rink 9-3. After three last-end losses Paul has finally broken the jinx and we are looking for bigger things from this excellent team. Watch-out this guy is going to have a strong finish. In games last week Millar embarrassed Gill 14-2; Yearwood smashed Hall 10-4 and Hurtt and Graham played to a 8-8 standoff. Earlier Gill

lost a 5-4 squeaker to Hall; Prentice was shaded 8-7 by Hurtt; Yearwood mastered Pettinger 7-3; Obee outscored Graham 11-7 and Hodgkinson dumped Millar 8-3.

FRIDAY MIXED

Joe Rivers beat Dwight Thomas 9-6 last week to hand Thomas his first defeat in 5 games. Thomas retains top spot, however, with a 4-1 record and 40 points. Rivers is tied with Bill Roodenburg for second place with 20 points each. Rivers record is 2-2 while Roodenburg is 2-3. Percy Brintnell is in last position with a 1-3 record and 10 points following his 9-8 loss to Roodenburg. Earlier Thomas thumped Roodenburg 11-2 and edged Brintnell 7-5 while Rivers dumped Roodenburg 8-5.

WEDNESDAY MIXED

J. O. Jackson holds down top spot with 45 points from 4 wins and a tie in 5 games. In second place with 30 points from 3 wins and 2 losses is the Bob Austin quartet following their 12-1 trouncing of Gareth Kellett's team. Kellett has yet to win a game in spite of some good curling by his team in past games. Third spot is held by the Roy Colliss rink which has 25 points

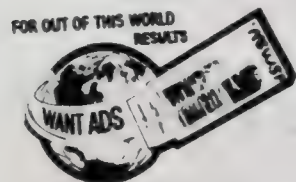

from a 2-2-1 record. Colliss tied Jackson 9-9 last week.

MENS SENIORS

First spot is presently shared by the Tom Hurtt and Sandy Stewart teams with identical 4-1 records and 40 points. Stewart defeated Frank Waters 5-3 last week while Hurtt dumped Ern Hewitt 9-4. Elsewhere Les Walling held Hal Burton to a 5-5 tie while Lorne Coburn's team defeated Ed Pettinger 5-2. Third spot is held by Burton with a 3-1-1 record and 35 points; in fourth position with 30 points is Pettinger; Walling holds down fifth with 25 points; Coburn has 15 points for sixth place; Waters is in seventh position with 10 points while Hewitt's one tie in five games leaves him in the cellar with 5 points.

JOIN THE CROWD

Cox's Colts lead final series

The final of the season's three series in the Men's Commercial league begun on Wednesday and Cox's Colts hold a slim one point lead after three games of the thirty-game series.

The Colts have 16 points Rockcliffe Hotel 15, Modern Electric and Minden Progress have 14, Ingol-dsby 12 and Minden Billiards 10.

Ronnie Robinson has edged ahead of Paul Warburton for the league high average with 231 to 229 respectively. Don Hicks holds the high single of 374 and Ronnie the triple of 915.

Top games rolled in the league last Wednesday evening were; Ronnie Robinson Jr. 321-275-180 for 776, Ron Robinson Sr. 301-289-177 for 767, Carl Holmstrom 224-261-259 for 744, Fred Cox 258-186-289 for 733 and Cliff Burke 200-305-207 for 712.

Case Realty

Novices blank

Bracebridge

Tom McLeod scored once and assisted on another as Minden's Case Realty Novices blanked a Bracebridge Novice squad 2-0 on Saturday morning at the Centre.

Gord Wood picked up the second Novice goal. Andrew Burk played an exceptionally fine game in net for Minden, stopping many dangerous rushes by Bracebridge.

Give Heart Fund

Sawyer, Conway,

Bowlers of month for January

Blaine Sawyer, a first year Y.B.C. bowler and a senior at Carnarvon Lanes, came up with the bowler of the month award for January after he rolled a 616 triple which included a great 283 single.

Ted Conway, also a first year YBC bowler and a bantam, also picked up the bowler of the month award for January, due to raising his league average some 19 points during January. Ted also bowled his way onto the 4 Steps to Stardom Singles competition with an 8-game total of 1063.

The next tournament on the YBC calendar is the "I Beat My Average" tournament. This will be rolled on Saturday, March 12th at 11 a.m. An attractive crest will be awarded to all those registered bowlers who beat their average in their **FIRST GAME BOWLED.**

Ann Everall led all the Juniors on Saturday with a 595 triple featuring 215 and 209 singles. Cathy Darby (J) rolled 480 (216) Lindsay Booth (J) 473 (238), Mike Hatkoski (J) 581 (200) and Scott Arbuthnot (J) 537 (218).

Perform a death-defying act.

Exercise regularly.

PART 5

Skiing in varied terrain

DOWNHILL

TECHNIQUE -

Downhill stretches allow the skier to recover and catch his breath-provided that he is accustomed to skiing downhill on light cross-country skis. The loose binding between boot and ski does not provide much edge control over the skis for fast downhill manoeuvring. Considerable practice is required to master downhill turns on narrow skis. When possible, downhill stretches are skied "schuss" (straight down), and any changes in direction are made using the Step-Turn. Stem or Parallel-Turns are seldom used. To maximize control over the skis, the heels are weighted and a slight backward lean is assumed. The lean increases speed and is always used to advantage on gently declining stretches. The elbows are supported on the knees, the poles are clamped under the upper arms and the skis are left to track with minimum control.

To decrease speed, stand up straight and spread the arms wide to increase wind resistance. When needed, the Snow Plow is quicker and more effective. In narrow passages, the poles may be used to slow down. Place both poles between the legs and weight them appropriately. However, do not sit on them with the entire body weight. By crossing the poles, chances of their

breaking are decreased. When traversing downhill, the downhill ski is weighted and the uphill shoulder, hip and ski are brought forward slightly. The hips are pushed in towards the slope and the upper body leans out facing downhill. This gives the skis the necessary edge on the slopes to permit controlled traversing. Next week a look at "Changing Direction".

Good Citizenship deserves a medal

Do you know anyone here in Ontario who—through selflessness, humanity and kindness without expecting anything in return—has made this a better province in which to live?

That's the kind of person for whom the Ontario Medal for Good Citizenship was established.

Recipients are selected by an independent Advisory Council of Ontario citizens whose honorary chairman is the Lieutenant-Governor of the Province.

Anyone may nominate a person for the Ontario Medal, and nomination forms are available by writing:

Executive Secretary
Advisory Council
Ontario Medal for Good Citizenship
Queen's Park
Toronto, Ontario M7A 1A1

Making a nomination is itself an act of appreciation for good citizenship. All nominations should be received by April 15, 1977.

ONTARIO MEDAL FOR GOOD CITIZENSHIP

FOR SALE Pick-up Trucks

The Provisional County of Haliburton Roads Department are calling tenders for the sale of three used pick-up trucks. CORPORATION OF THE TOWNSHIP OF LUTTERWORTH

TAKE NOTICE that the Council of the Corporation of the Township of Lutterworth intends to stop up, close and convey a portion of the original allowance for road around the shore of Clear Lake and being part of Lot 15, Concession 4, in the Township of Lutterworth, in the Provisional County of Haliburton.

The By-law which will effect this action is available for perusal at the Lutterworth Municipal offices during regular office hours.

The said By-law will be considered by Council at the regular meeting to be held on Tuesday, March 15th, 1977, commencing at the hour of 10:00 a.m., at the Lutterworth Municipal Offices.

Any person who claims that his land will be prejudicially affected by the said By-law may object in writing to the undersigned on or before 5:00 p.m. on Friday, March 11th, 1977, and further may attend upon the Council at the aforementioned appointed time.

DATED at the Township of Lutterworth this 1st day of February, 1977.

Mrs. B.A. Millar,
Clerk-Treasurer
P.O. Box 176,
Minden, Ontario.
